

East Village Party Menus

At East Village, we pride ourselves on the quality of food we offer. To achieve our high standard in quality and freshness, we have a team of chefs that prepare our dishes in house seven days a week. All of our beef, chicken and seafood produce are delivered 6 days per week to meet our chef's exacting standards.

East Village is the ideal venue for private parties, special occasions or corporate outings. With delicious finger food & BBQ menus available you can't go wrong. Choose to reserve an area on our ground floor and soak up the atmosphere of our main bar & outside deck area, or choose the bar & outside terrace area located on our 1st floor that is perfect for any party occasion. Our weekends are jam-packed with DJs and live music so the entertainment is already taken care of. We have a late bar serving until 2am on Fridays & Saturdays so there's no need to go elsewhere.

Attached you will find a sample of our party food menus. We can cater for & have a large selection of vegetarian & coeliac friendly dishes available. All of which, can be tweaked and tailored to your tastes and budget. Menu choice & guest numbers to be confirmed at least 72 hours in advance.
